MEMORANDUM FOR: Director of Communications
 Director of Finance
 Director of Logistics
 Director of Medical Services
 Director of Personnel
 Director of Security
 Director of Training
 Chief, Support Services Staff

SUBJECT : Career Trainees

1. The Director issued a memorandum dated 22 August 1968 to the Deputies, subject as above. The memorandum is quoted as follows:

"Our discussion Tuesday morning, 29 August, on the management of Career Trainees demonstrated that we are all conscious of the need for proper handling of their first assignments. I have asked the Director of Personnel to give me quarterly reports about the Program, with particular emphasis on our losses. I am concerned with identifying what practices in which components are failing to hold these young professionals. Please insure to the extent reasonable that new graduates of the Program are assigned to those supervisors whose competence, interest, and understanding are directed to careful early development of these long-range assets."

2. I ask that each of you personally assure that all employees assigned to you are appropriately placed in line with this guidance from the Director. It will be necessary that you and I obtain periodic information to assure us that the Career Trainees and others are properly assigned.
